**STIPULATION AND ORDER TO CLARIFY THE PARTIES’
CORRECTED AGREEMENT OF COMPROMISE AND SETTLEMENT**

All parties to the Corrected Agreement of Compromise and Settlement (the “Settlement Agreement”) filed in this case on November 1, 2013 (Dkt. No. 30), including the Named Plaintiffs Steve Clavette, Chad Epsen, Monique Orioux, Chris Thames, Gwen Weithaus, Steven Wiedmeyer, Richard Tesoriero, John Robards, Barbara Robards, James Dibley, Patricia Swanson, and Koreen Grube, and Defendant CertainTeed Corporation, through their undersigned counsel, hereby stipulate and agree that after the Claims Submission Period ends no term or condition of the Settlement Agreement was ever intended to, and does not, extinguish any of Settlement Class Members’ warranty rights under their limited warranties that accompanied their purchases of the Siding. Thus, following the Claims Submission Period and for as long as their limited warranties remain in effect, all Settlement Class Members can pursue a warranty claim under their limited warranties for any portion of their Fiber Cement Siding that has not already been subject to relief from CertainTeed or through the Class Action Settlement. This clarification was previously provided to Settlement Class Members on January 13, 2014, via a posting on the settlement website. The parties further agree that this Stipulation to Clarify Corrected Agreement of Compromise and Settlement shall be posted on the settlement website, www.certainteedfibercementsettlement.com.
